Eurasia's Leading Medical Trade Fair

As the biggest fair in Turkey and Eurasia where medical devices, equipment and technologies are showcased and the latest medical trends and scientific events can be tracked, Expomed Eurasia brought together the decision makers in the healthcare industry on March 28 - 30, 2019 in Istanbul for the 26th time. In 2019 the show was visited around 35.000 professional visitors where 778 companies and company representatives exhibited from all over the world.

With the effective and innovative products and programs of Expomed a unique show experience awaits you. Now you will be able to find all related products in one dedicated hall. Electro Medical Equipment & Medical & Laboratory Technologies Section includes the state-of-the-art Technologies, devices and services offered in the fields medical and laboratory.

Electro Medical Equipment & Medical & Laboratory Technologies

Section
