

HALL 2 Hospital Build & Medical Facility Management Section

March 22 - 25
2018

Your Medical Portal in Eurasia

As the biggest fair in Turkey and Eurasia where medical devices, equipment and technologies are showcased and the latest medical trends and scientific events can be tracked, **Expomed Eurasia** brings together the decision makers in the healthcare industry on March 22 - 25, 2018 in Istanbul for the 25th time. In 2017 the show was visited around 34.000 professional visitors where more than 700 companies and company representatives exhibited from all over the world.

With the effective and innovative products and programs of **Expomed Eurasia**, a unique show experience awaits you. A large product group, ranging from hospital construction to laundry equipment, is going to be located in Hall 2 under **Hospital Build and Medical Facility Management Section**.
