

April 27, 2020
Istanbul

Dear Exhibitors and Visitors,

As Reed Tüyap Fairs Inc. we would like to inform you that **Expomed Eurasia** is now scheduled to take place on **November 5-7, 2020** instead of the previously announced dates of June 11-13, 2020. This is based on the recommendations of Coronavirus Science Committee formed within the Turkish Ministry of Health.

We have been closely following the recommendations of the Turkish Ministry of Health and all other related organizations and institutions regarding the global Coronavirus (COVID-19) pandemic. Our top priority is the health and safety of everyone involved in **Expomed Eurasia** and we take your valuable opinions into serious consideration.

In order to prevent interruption in your commercial activities and in order to do our best to fully support the healthcare industry as it works hard to protect us all during this crisis, we are working on perfecting the digital solutions that we have been offering you for quite some time. Over the coming months, we will bring our exhibitors and visitors together on online platforms for new business networking purposes and to keep the community connected and informed.

We will be delighted to welcome you on **November 5-7, 2020** at our 27th **Expomed Eurasia**, the biggest medical trade fair in the greater Eurasian region, with the support of all our medical stakeholders.

We would like to thank you for your support during this challenging period, for everything you are doing for us and we wish you all the very best.

Sincerely,

Reed Tüyap Fairs Inc.
