March 2017

City Hospitals discussed in detail in the “City Hospitals, Health Tourism and PPP Symposium”

Turkish Health System growing stronger with City Hospitals

The “City Hospitals, Health Tourism and PPP Symposium”, simultaneously organized with Expomed Eurasia, one of the most prominent fairs in Eurasia, on April 1-2, will see the attendance of both local ministry representatives and those from other close countries.

The “**City Hospitals, Health Tourism and PPP Symposium**” to be held in cooperation with Healthcare Management and Training Society (SAYED) and Public Private Partnership Society on April 1-2, will be attended by Ministers, Deputy Ministers and Representatives of Health from Azerbaijan, Bahrain, Kyrgyzstan, Kosovo, Pakistan and Saudi Arabia, all invitees of Prof Recep Akdağ, Turkish Minister of Health.

Saudi Arabia attending Expomed Eurasia with a delegation of 12 representatives

In addition to the delegation of Saudi Arabia, the delegation of Alsaleh Faequa Saeed Abdullah, the Bahraini Minister of Health, will also participate in the symposium and the fair, which will exhibit the cutting edge technologies as well as the R&D and innovation wonders in the healthcare industry.

For all the details of City Hospitals

The area where the ‘City Hospitals, Health Tourism and PPP Symposium’ will be held will also host giant construction companies, building City Hospitals projects, such as Rönensans, Akfen and CCN Holding, as well as their suppliers such as ISS Tepe Servis, Havel-san and Akgün Yazılım.
